

Yeah, yeah, yeah
Oh yeah
Sometimes, at night I cannot sleep
I think of you with revering
But like an ancient melody
You're beautiful but melancholy
Girl, if I could
Don't you know I would
Take the pain away from...
My Valentine
Tell me why
Why you never smile
What can I do
To get through to you
My funny Valentine?
I'd do anything just to see you smile
I know obsession is a sin
But I feel you underneath my skin
Are you the prize that I'll never win?
Because you haunt me like a thousand violins
But I won't give up, no, no
Until I earn your trust
'Cause you're a part of me
And it's my destiny to fly away with...
My Valentine
Tell me why
Why you never smile
What can I do
To get through to you?
Tell me you're...
My Valentine

Tell me why
Why you never smile
What can I do
To get through to you
My funny Valentine?
I'd do anything just to see you smile
Smile (to see)
Smile (your smile)
Smile (your touch, your smile)
To see (your face) your smile (your smile)
Smile (your smile, your touch)
Smile (your smile, your smile, your face)
Why won't you smile? (Why won't)
Smile (you smile?)
Smile (Why won't you smile?)

I'll make you smile (Oh, why won't)
Smile (you smile?)
Smile
Oh
