

Yeah, yeah, yeah

Oh yeah

Sometimes, at night I cannot sleep

I think of you with revering

But like an ancient melody

You're beautiful but melancholy

Girl, if I could

Don't you know I would

Take the pain away from...

My Valentine

Tell me why

Why you never smile

What can I do

To get through to you

My funny Valentine?

I'd do anything just to see you smile

I know obsession is a sin

But I feel you underneath my skin

Are you the prize that I'll never win?

Because you haunt me like a thousand violins

But I won't give up, no, no

Until I earn your trust

'Cause you're a part of me

And it's my destiny to fly away with...

My Valentine

Tell me why

Why you never smile

What can I do

To get through to you?

Tell me you're...

My Valentine

Tell me why

Why you never smile

What can I do

To get through to you

My funny Valentine?

I'd do anything just to see you smile

Smile (to see)

Smile (your smile)

Smile (your touch, your smile)

To see (your face) your smile (your smile)

Smile (your smile, your touch)

Smile (your smile, your smile, your face)

Why won't you smile? (Why won't)

Smile (you smile?)

Smile (Why won't you smile?)

I'll make you smile (Oh, why won't)

Smile (you smile?)

Smile

Oh
